

WILHELM

COMPETENCE
IN HR SOLUTIONS.
SINCE 1979.

WILHELM

Your partner for demanding Human Resources services

WILHELM has been the competent partner for SMEs and international companies since 1979.

WILHELM is represented by six offices in all the key business regions of Switzerland and in the Principality of Liechtenstein.

EXECUTIVE SEARCH

Executive search is one of WILHELM's core competences: finding and attracting the right people and promoting their integration into the company. WILHELM supports Swiss and international companies in the professional search for outstanding people - on the Board of Directors, Executive Committee and management levels.

The search is primarily conducted by a direct approach, drawing on a wide-spread personal network and long-standing contacts with leaders and top executives.

RECRUITING SERVICES

Wilhelm has been recruiting managers and specialists at all levels of the corporate hierarchy since 1979. Thanks to our decades of expertise, our clients include companies of all sizes and from every sector.

Our consultants operate with a high level of expertise, proven selection methods and psychological sensitivity. Together with the client, we define job and requirement specifications as well as the most promising search methods and channels.

ASSESSMENT

WILHELM assessments are tailored to the function's specific requirements and the company's needs. They are conducted by qualified psychologists with strong experience in private industry.

OUTPLACEMENT & COACHING

People who lose their jobs, or are seeking a new direction generally, appreciate professional advice. In outplacement, WILHELM offers soundly based support in the development of a skills profile, identification of career prospects and coaching in the search for a new career challenge.
